PRIVACY ACT STATEMENT

Collection of the information requested is authorized by the Atomic Energy Act of 1954, as amended, and by the Homeland Security Presidential Directive 12 (HSPD-12). The information on the form will be used to the secure and reliable identification of Department of Energy (DOE) Federal and contractor employees. Disclosure of the information on the form is voluntary. If the information is not provided, DOE will be unable to issue a Federal agency identity credential which will indicate that an individual's identity has been verified through the HSPD-12 personal identity verification process. The name of the individual, date of birth, and home phone are for identification. Access to or use of the information provided will be limited to DOE personnel directly involved in verifying an individual's identity and to Federal Government investigative and intelligence agencies in connection with an authorized official investigation.
